

Drake

The Inside Story...

The frame is constructed of kiln dried solid wood and high-quality plywood, reinforced with glue and staples for durability

Extra-long sinuous spring suspension in seats for strength and support

Elastic webbing for additional support

Deep padded arms, sides and back are filled with premium fiber and foam for maximum comfort and durability

Resilient gel-infused memory foam layer forms to your body

Individually wrapped drop-in coil seating provides for even weight distribution, superior seating and prevents sagging. 1.8 density foam core allows for consistency. Dacron® wrapped top layer adds softness

Top-grain leather covers are carefully selected for comfort, beauty and durability

Single and double stitched seams with heavy duty nylon thread reinforce stress areas

Pulaski reserves the right to discontinue and change specifications at any time without notice. Due to differences in photographic and printing processes, furniture colors shown may vary from the actual finishes.
