BEDROOM

Cool concrete finish on oak veneers

Gracious elegance defines the Ella collection. Traditional and generously scaled, Ella employs curvaceous shapes with a bit of French flair. Antique mirror panels add a soft reflective quality to the headboard, bedside table and entertainment console. The serpentine shaped dresser provides clever storage at each end. Impressive crown moldings and scrolled pilasters are softened by the greyed wash finish, allowing the wood grain to show through. Custom designed jewelry inspired antique brass hardware provides the subtle finishing touch.
