Buff grey finish on oak veneers

The Madison Ridge dining collection updates traditional details with a fresh gray washed finish for a look that is classic yet casual. Deep crown moldings, pilasters and arched doors make the china cabinet a signature piece. The dining table comes with two leaves and extends to a generous 108 inches. Storage options include china cabinet, sideboard or sideboard with hutch. Choose slat back dining chairs, or upholstered chairs with nail head trim. Create your unique dining experience with Madison Ridge.
